Shakespeare play gets physical

THE words "dynamic" and "Shakespeare" are not usually heard in the same sentence, but Theatre Company Zen Zen Zo has changed all that.

Sunshine Beach State High School students were treated to the Zen Zen Zo Physical Theatre Company's 2005 re-launch of the production Romeo and Juliet on May 11, in the school's own Cavern Theatre.

The school felt privileged to be the first to

see the production this year, and welcomed the Theatre Company enthusiastically.

Zen Zen Zo's production boasts Shakespeare's words, exciting imagery, breathtaking physical theatre, romance, lust, love, hate, family and betrayal, and brings Shakespeare to students like never before.

Year 11 students found the production particularly helpful as they are currently studying Sha-
